

### Start of the day

Thank you for your support with the start of the day routines. The routine has been a success as it has eased congestion around school.

### Uniform and PE Kits

Thank you for your continuing support, there are still children who don't have their PE kits in school. PE is an important activity for the children to be involved in. It is a pity to see that those who do not have their PE kits in school cannot join in the exciting PE activities in.

Also, some children are not adhering to our policy on correct footwear. Can I remind parents and children that trainers and inappropriate footwear are not part of our uniform and we ask that children wear black sensible footwear. Thank you.

### Parking

As work continues around the school, please be careful as you park around the school. There is a large volume of cars and traffic at the start and the end of the school day. **Please take care as you approach the school in cars and ensure that you accompany your children into school.**

### SEPTEMBER RETURNS

#### Contact Details

Pink forms and other information has been sent home over the last 2 weeks. It is really important that you complete the forms with your up to date contact numbers, medical information and permission for photographs in school.

#### Home school agreement

Thank you to those parents who have signed and returned the home school agreement that was also sent home to you. It is really important that there is a partnership between home and school and this form highlights both commitment from school and home. So if you haven't completed one, please see the class teacher or the school office for a copy. Thank you.

### After school clubs

After school clubs are now well on their way. Please ensure that you pick up your child after the club is finished from Reception. If you are delayed for any reason, please make alternative arrangements for your child to be collected and inform the school. Thank you.
