

Whistle-blowing Policy for St Philip's Catholic Primary Confidential Reporting Code

1. Introduction

- 1.1 Employees are often the first to realise that there may be something seriously wrong within an organisation. They may not; however, express their concerns because they feel that speaking up would be disloyal to their colleagues or to the organisation. They may also fear harassment or victimisation. In these circumstances it may be easier to ignore the concern rather than report what may just be a suspicion of malpractice.
- 1.2 St Philip's Catholic Primary is committed to the highest possible standards of openness, probity and accountability. In line with that commitment we expect employees, and others that we deal with, who have serious concerns about any aspect of the School's work to come forward and voice those concerns. It is recognised that most cases will have to proceed on a confidential basis
- 1.3 This policy document makes it clear that you can do so without fear of victimisation, subsequent discrimination or disadvantage. This Confidential Reporting policy is intended to encourage and enable employees to raise serious concerns within St Philip's Catholic Primary rather than overlooking a problem or "blowing the whistle" outside.
- 1.4 The policy applies to all employees and those contractors working for St Philip's Catholic Primary on school premises, for example, agency staff, builders and drivers. It also covers suppliers and those providing services under a contract with the School in their own premises, for example, working with Community Organisations.
- 1.5 These procedures are in addition to the school's complaints procedures and other statutory reporting procedures. All employees are responsible for making service users aware of the existence of these procedures.
- 1.6 This policy is the official policy for Sandwell M.B.C. Our understanding is that Sandwell fully discussed this policy with the relevant trade unions and professional organisations and it has their support.

2. Aims and Scope of this Policy

- 2.1 This policy aims to
- encourage you to feel confident in raising serious concerns and to question and act upon concerns about practice
 - provide avenues for you to raise those concerns and receive feedback on any action taken
 - ensure that you receive a response to your concerns and that you are aware of how to pursue them if you are not satisfied
 - Reassure you that you will be protected from possible reprisals or victimisation if you have a reasonable belief that you have made any disclosure in good faith.
- 2.2 There are existing procedures in place to enable you to lodge a grievance relating to your own employment. This Confidential Reporting Policy is intended to cover major concerns that fall outside the scope of other procedures. These include:
- conduct which is an offence or a breach of law
 - disclosures related to miscarriages of justice
 - health and safety risks, including risks to the public as well as other employees
 - damage to the environment
 - the unauthorised use of public funds
 - possible fraud and corruption
 - sexual or physical abuse of clients, or
 - Other unethical conduct.
- 2.3 Thus, any serious concerns that you have about any aspect of service provision or the conduct of officers or members of St Philip's Catholic Primary or others acting on behalf of the School can be reported under the Confidential Reporting Policy. This may be about something that:
- makes you feel uncomfortable in terms of known standards, your experience or the standards you believe St Philip's Catholic Primary subscribes to; or
 - is against St Philip's Catholic Primary's Standing Orders, financial regulations and policies; or
 - falls below established standards of practice; or
 - Amounts to improper conduct.
- 2.4 This policy does not replace the corporate complaints procedure.

3. Safeguards

- 3.1 St Philip's Catholic Primary is committed to good practice and high standards and wants to be supportive of employees.
- 3.2 St Philip's Catholic Primary recognises that the decision to report a concern can be a difficult one to make. If what you are saying is true, you should have nothing to fear because you will be doing your duty to your employer and those for whom you are providing a service.
- 3.3 St Philip's Catholic Primary will not tolerate any harassment or victimisation (including informal pressures) and will take appropriate action to protect you when you raise a concern in good faith.
- 3.4 Any investigation into allegations of potential malpractice will not influence or be influenced by any disciplinary or redundancy procedures that already affect you.

4. Confidentiality

- 4.1 All concerns will be treated in confidence and every effort will be made not to reveal your identity if you so wish. At the appropriate time, however, you may need to come forward as a witness.

5. Anonymous Allegations

- 5.1 This policy encourages you to put your name to your allegation whenever possible.
- 5.2 Concerns expressed anonymously are much less powerful but will be considered at the discretion of St Philip's Catholic Primary.
- 5.3 In exercising this discretion the factors to be taken into account would include:
 - the seriousness of the issues raised
 - the credibility of the concern; and
 - the likelihood of confirming the allegation from attributable sources.

6. Untrue Allegations

- 6.1 If you make an allegation in good faith, but it is not confirmed by the investigation, no action will be taken against you. If, however, you
- 6.2 make an allegation frivolously, maliciously or for personal gain, disciplinary action may be taken against you.

7. How to Raise a Concern

- 7.1 As a first step, you should normally raise concerns with your immediate line manager or their superior. This depends, however, on the seriousness and sensitivity of the issues involved and who is suspected of the malpractice. For example, if you believe that management is involved, you should approach the Chair of Governors of Governors or the Monitoring Officer of the Local Authority (Neeraj Sharma- Head of Legal Services, Tel No 0121-569 3174)
- 7.2 Concerns may be raised verbally or in writing. Staff who wish to make a written report are invited to use the following format:
- the background and history of the concern (giving relevant dates);
 - the reason why you are particularly concerned about the situation.
 - You should also, as far as possible, provide evidence to support your concern.
- 7.3 The earlier you express the concern the easier it is to take action.
- 7.4 Although you are not expected to prove beyond doubt the truth of an allegation, you will need to demonstrate to the person contacted that there are reasonable grounds for your concern.
- 7.5 Advice and guidance on how matters of concern may be pursued can be obtained from the Local Authority Monitoring Officer, whose details are given in paragraph 7.1 above. If you feel unable or do not wish to discuss your concerns with a School or Local Authority officer, you can contact the Audit Commission on 0207 630 1019 regarding information on fraud and corruption. There is also a charity called "Public Concern at Work" which can provide free confidential advice on how an issue should be dealt with. Their telephone number is 0207 404 6609.
- 7.6 You may wish to consider discussing your concern with a colleague first and you may find it easier to raise the matter if there are two (or more) of you who have had the same experience or concerns.

ST PHILIP'S CATHOLIC PRIMARY SCHOOL

- 7.7 You may invite your trade union, professional association representative or a friend to be present during any meetings or interviews in connection with the concerns you have raised.

8. How St Philip's Catholic Primary will respond

- 8.1 St Philip's Catholic Primary will respond to your concerns. Do not forget that testing out your concerns is not the same as either accepting or rejecting them.
- 8.2 Where appropriate, the matters raised may:
- be investigated by management, internal audit, the Monitoring Officer or through the disciplinary process
 - be referred to the external auditor
 - form the subject of an independent inquiry.
- 8.3 In order to protect individuals and those accused of misdeeds or possible malpractice, initial enquiries will be made to decide whether an investigation is appropriate and, if so, what form it should take. The overriding principle which St Philip's Catholic Primary will have in mind is the public interest. Concerns or allegations which fall within the scope of specific procedures (for example, child protection or discrimination issues) will normally be referred for consideration under those procedures.
- 8.4 Some concerns may be resolved by agreed action without the need for investigation. If urgent action is required this will be taken before any investigation is conducted.
- 8.5 Within ten working days of a concern being raised, the Monitoring Officer will write to you:
- acknowledging that the concern has been received
 - indicating how we propose to deal with the matter
 - giving an estimate of how long it will take to provide a final response
 - telling you whether any initial enquiries have been made
 - supplying you with information on staff support mechanisms, and
 - telling you whether further investigations will take place and if not, why not.
- 8.6 The amount of contact between the officers considering the issues and you will depend on the nature of the matters raised, the potential difficulties involved and the clarity of the information provided. If necessary, St Philip's Catholic Primary will seek further information from you.

ST PHILIP'S CATHOLIC PRIMARY SCHOOL

- 8.7 Where any meeting is arranged, off-site if you so wish, you can be accompanied by a union or professional association representative or a friend.
- 8.8 St Philip's Catholic Primary will take steps to minimise any difficulties which you may experience as a result of raising a concern. For instance, if you are required to give evidence in criminal or disciplinary proceedings St Philip's Catholic Primary will arrange for you to receive advice about the procedure.
- 8.9 St Philip's Catholic Primary accepts that you need to be assured that the matter has been properly addressed. Thus, subject to legal constraints, we will inform you of the outcome of any investigation.

9. The Responsible Officer

- 9.1 The Governing Body has overall responsibility for the maintenance and operation of this policy. The Governors will retain a record of concerns raised and the outcomes (but in a form which does not endanger your confidentiality) and will report as necessary to the Monitoring Officer of the LA.

10. How the matter can be taken further

- 10.1 This policy is intended to provide you with an avenue within St Philip's Catholic Primary to raise concerns. St Philip's Catholic Primary hopes you will be satisfied with any action taken. If you are not, and if you feel it is right to take the matter outside the College, the following are possible contact points:
- the designated independent organisation (Public Concern at Work for details see paragraph 7.5 above)
 - the external auditor
 - your trade union
 - your local Citizens Advice Bureau
 - relevant professional bodies or regulatory organisations
 - a relevant voluntary organisation
 - the Police.

If you do take the matter outside St Philip's Catholic Primary, you should ensure that you do not disclose confidential information. Check with the contact point about that.
