Year 3

AUTUMN 2

CURRIUCLUM OVERVIEW

PE:

Multi Skills and Games with PE Coach

Throwing, catching and changing direction skills

RE:

'Belonging as a Family of God'

Reconciliation

'Advent and Christmas'

Maths:

Weekly Arithmetic, Weekly Times Tables and Daily Reasoning and Problem Solving

Maths Domains : (Column Addition and Column Subtraction is a big focus for us)

DT

Making Sculptures

We are using different materials to make sculptures of living things

Computing: Coding

Design, write and debug programs that accomplish specific goals, including controlling or simulating physical systems; solve problems by decomposing them into smaller parts

World Geography

We are focussing on the rainforest and looking at sustainability and deforestation.

Science

Rocks, Soils and Fossils

We are looking at properties of rocks and classifying them. We will be conducting fair tests on the rocks and learning how soils are formed. We have made some fossils at home and will look at where they come from.

French

Listen attentively to spoken language and show understanding by joining in and responding explore the patterns and sounds of language through songs and rhymes and link the spelling, sound and meaning of words engage in conversations; ask and answer questions; express opinions and respond to those of others; seek clarification and help*

Reading:

Retrieving information from texts, highlighting, how to answer different style questions and inference.

Writing Genres— Writing a fable, Non-Chronological Reports

The children will learn to use fronted adverbials accurately (including commas) and develop their understanding of using subordinating conjunctions such as 'when' and 'although.' They will continue to develop their understanding of using the present and past tense of verbs as well as organising paragraphs around a theme.

In on fiction we are looking at Titles, Subheadings and formal language for an informative report about the rainforest.

Theme(s)

Intentional and Prophetic

The Environment
